

WELCOME TO THE 2010 GATEWAY PGA JUNIOR GOLF ASSOCIATION

Dear Junior Golfers and Parents:

On behalf of the Gateway PGA Junior Golf Association and the Gateway PGA Member Golf Professionals, we would like to welcome you to our 2010 Program. The Gateway PGA is made up of over 425 Golf Professionals in Eastern Missouri and Southern Illinois, who recognize the importance of junior golf in growing the game.

Each golfer must attend a Rules/Etiquette Seminar prior to the start of the tournament schedule. The 18 Hole and Tour Division seminars are two hours in duration; Mini 9 Hole, Novice 9 Hole, 9 Hole Divisions and the 18 Hole Ages 12-13 Division seminars are one hour in duration and parents must attend. For more information, call Carol Fromuth **(636) 532-9191**, or email cfromuth@pgahq.com or view our new website: www.gatewaypga.org.

Sign up today and you can participate as one of our Gateway PGA Junior Golf Members. We strongly encourage a player to become a member (\$75) and attend a rules seminar even if tournament events cannot be scheduled so far in advance. However, all tournament schedules and fees must be received by May 27, 2010. No exceptions.

Determining the Right Division

Divided into four distinct ability groups, The Gateway Junior PGA Golf Association allows players of like ability to play and compete within their own age groups. Golfers are provided the opportunity to enhance their golf skills and enjoy the game while being rewarded for both improvement and achievement. To have a positive experience, it is very important to honestly evaluate your ability and participate in the Division, which is best suited to your own game. Assignments within each Division are at the discretion of the Gateway PGA Staff and may even change during the competitive season. Stroke averages refer to those obtained on a regulation-length golf course.

Format of Competition

All events will be stroke play competition. USGA Rules shall govern play, and any local rules announced or distributed prior to play shall be applicable. Participants may not use caddies, or motorized carts. The ball will be played as it lies, unless weather or course conditions dictate a change to be made only by the Gateway PGA Junior Golf Director. All players must carry their own clubs or use a pull cart if allowed by the facility. No provisions for practice rounds have been made. Players may call the facility and practice at their own expense prior to the tournament except at private clubs, which require a guest fee and playing with a club member.

EXCEPTION: July 6-8 Event at Glen Echo CC

July 6 - Qualifying round for Match Play; Low 16 Boys and Low 8 Girls qualify for match play.

July 7 - Two matches will be played with winners advancing to July 8.

July 8 - Boys will play 2 matches to determine Match Play Winner; Girls will play 1 match to determine Match Play Winner.

Tee Yardage---Approximate yardage---depends on the course:

9 Hole Boys and Girls - 2,500-2,800 yards (Some courses are par 3's)

18 Hole 12-13 Boys - 5,200-5,600 yards; All Girls - 4,800-5,500 yards
14-15 Boys/16-18 Boys - 6,000-6,200 yards

Tour All Girls - 5,800-6,000 yards; All Boys - 6,400 plus yards

Classics All Girls - 5,800-6,000 yards; All Boys - 6,400 plus yards

Tournament Pairings

A participant must play with the group in which they are paired. Failure to do so will result in disqualification from the event. Tee time changes will be made only by staff to adjust for no-shows and withdrawals.

Scoring Procedure

Participants will rotate scorecards prior to the beginning of play. **A junior may not keep the scorecard of the player keeping his or her own card.** After each hole is completed, the **participant** shall announce his/her score for the marker. The marker should repeat the score to be sure it is correct. If you are unsure about a rule, play a second ball; announce which ball you will use for score if the rules of golf permit. This procedure must be reported to the scoreboard or scoring table before turning in your scorecard, otherwise disqualification is the penalty. A competitor may not leave until his/her score card is accepted by a member of the tournament staff. If a problem occurs and the competitor is not present, it will result in an automatic disqualification.

Awards

At the conclusion of each event, medals will be awarded in each age group. In the case of ties, matching cards will determine the winner on the basis of the best score for holes 10-18. If the tying players have the same score for the last nine, determine the winner on the basis of the last six holes, last three holes and finally the 18th hole. In the case of the 9 hole division players, determine the winner on the basis of the last six holes, last three holes and finally the 9th hole.

Scoring (9 Hole, and 18 Hole Ages 12-13 Divisions)

A parent will be required to score two times during the 2010 tournament schedule. (Keeping strokes taken by each child in the group will be required.) If a parent cannot be a scorer, the parent is responsible to provide a substitute, such as a relative, friend and/or a high school age student. Please indicate on the entry form, the dates available for scoring. Scorers will be provided golf carts, if available, at no charge for the Competitive 9 Hole and 18 Hole Divisions.

Electronic Devices

Cell phones, pagers, ipods, distance measuring devices, and any type of electronic entertainment devices are not allowed. Policies are necessary to provide quality and organized events for all the juniors enrolled in the program. The policies are not negotiable or flexible, and are enforced so that the Gateway PGA Junior Tournament Staff can run fair and organized tournaments.

Conduct of Players

Inappropriate behavior by any junior, witnessed by our staff, fellow competitor, or employee of the host facility will be immediately disqualified from the current event and their next event without a refund. Inappropriate behavior could include the use of improper language, dressing in non-golf attire, throwing clubs, damaging the course, failure to repair ball marks on the greens or replace divots on the course, cheating, talking while a fellow competitor is playing a shot, knowingly violating the rules of golf, affecting play of another, overall display of poor sportsmanship, use of tobacco, alcohol or illegal drugs.

Dress Code (Members, Family, Guests and Spectators)

Proper attire is required at **all** tournaments and rules seminars, events and/or functions. The dress code prohibits shoes with metal spikes, short shorts (finger tips must touch bottom of short or skirt), halter tops, shirts exposing mid riffs, tank tops, T-shirts, gym shorts, and all denim. (No visible body piercing is permitted; however, girls may wear earrings.) All hats must be worn properly, bill forward; collared shirts must be worn and tucked in (girls may wear shirts without collars if the shirt is part of a coordinated outfit). Any violation of this rule results in either disqualification or the junior not being allowed to participate until he/she has met the above regulations. **Spectators at private clubs must adhere to player dress code policy. If not in proper attire, spectators may not follow the golfers and must leave the facility.**

Conduct of Spectators

Spectators are welcomed and encouraged to attend events. Rules for spectators are as follows:

1. Spectators must walk and remain on the cart paths or in the rough. A minimum of 20 yards between players and spectators must be maintained. Spectators must stay off tees and greens.
2. It is the player's responsibility to avoid conversation with all spectators. Such conversation could be construed as ADVICE. Players will be penalized two strokes for advice.
3. **Spectator carts** will be available for rental at the option of each facility.
4. Spectators are not allowed to carry a player's equipment. (Umbrellas, food, jackets, etc. are not equipment.)
5. As a general rule: spectators should remain one shot ahead, or even with the shot being played by the group they are watching.
6. Dress code for private clubs: collared shirts, bermuda-length shorts, no denim.

Schedule Changes

All schedule changes must be made in writing or a direct phone call (no messages or email). Include the following: name, address, phone number, age group, tournament event number/s wishing to drop and add, and 2-3 substitution choices per tournament. Submit your schedule change request, with applicable fees (\$10.00 non-refundable fee per change), to the Gateway PGA Section Office. All schedule changes are dependent upon space availability. Changes made before May 25 are free if done through our office.

Refunds

Prior to May 1, 2010 refunds are made only in the case of a medical emergency with the exception of a \$75 administrative fee, which is not refundable. After May 1, 2010, no refunds are available. Failure to attend the required rules seminar will result in the forfeiture of all fees and eligibility to play.

Rain Policy

No rain-dates are available. If an event is cancelled due to weather, the junior **MUST** check the schedule for another event that is not filled, and call to enter that event at no additional charge. Credits will not be given if a 9 hole event completes five holes of play or an 18 hole event completes 9 holes of play, no rescheduling will be allowed. Medals will be awarded.

No-Show Policy (NS)

If a player fails to withdraw from an event in accordance with the withdrawal policy, and does not play, it will be considered a **no-show**, a tournament credit will not be authorized. If an emergency situation causes a no-show, the Gateway PGA Staff could authorize a tournament credit.

No Score Card Policy (NC)

If a player does not turn in a score card with valid scores for the day, the player will be suspended for the next event in which he or she is registered, without refund. An NC will be posted as the player's score. A player, who does not turn in or alters a score card, will not be eligible for the high point and low stroke average trophies and the Final Championship.

Withdrawal Policy for Tournaments (WD)

In order to provide accurate and quality tournament administration, a player must withdraw from a tournament by phone or in person. E-mail messages will not be accepted. Players who withdraw in accordance with this policy will be given tournament credit, and may enter another event that still has available space and pay the \$10 reschedule fee. All tournament credits remaining on July 16 for 9 Holers or July 30 for 18 Holers and Tour will be forfeited. Players who do not withdraw in accordance with this policy will forfeit their entry fee for that event. **No monetary credit can be applied to the Final Championship entry fee.**

Walk-On Policy

Juniors may register and compete in an event as a walk-on on a first-come, first-serve basis at any regular event that does not have a full field. Payment for walk-ons must be made on site. Walk ons must be at the tournament site within one half hour of the first tee time of their respective age group and must play in their own age group for scoring purposes. It is preferable that the player calls the day or night before the scheduled event and a tee time will be given.
